I am writing with a request under the Nebraska Public Records Act §84-712. As you may know, state law allows any individual to request any record from any branch of the government. I am requesting copies of the following documents:

1. Any policies, regulations or rules governing drug testing of students.
2. Any memos, directives or notices relating to drug testing of students.

If you have questions regarding what documents I am in search of or require clarification, please give me a call.

The law requires you to provide the requested documents within four (4) days of receipt of this letter, but I'm happy to give you seven (7) days. If you need slightly longer, please call me at (402) 476-8091 extension 106.
